

Profitable. Safe. Simple.

What is eDeposit.lv?

eDeposit.lv is a new product in Latvian banking offered by NORVIK BANKA and designed for those who appreciate convenience and simplicity in fund management. With the help of **eDeposit.lv**, you can increase your savings without even leaving your home!

How does eDeposit.lv work?

Using **eDeposit.lv** is very easy:

1. Go to the home page at www.edeposit.lv and choose the most appropriate type of deposit.
2. Get registered in the system – it takes just a few minutes!
3. Then you will submit an online application for your deposit placement and receive your **eDeposit** account number.
4. The final step – transfer the deposit amount to your new **eDeposit.lv** account.

After the deposit maturity, the deposit amount together with the accumulated interest will be automatically (and completely free of charge) returned to the account from which it was initially transferred. Please note - there are no deposit amount limits for the savings account at **eDeposit.lv**!

Who can use eDeposit.lv?

Any private individual or legal entity with an account in any European Union member bank can become a client of **eDeposit.lv**. In other words, if you are a resident of Latvia and you have an active account with any Latvian bank, you can become a client of **eDeposit.lv**. And what is most pleasant - first, you do not even have to leave your home or office to open an **eDeposit.lv** account; second, you remain a client of your own bank for all your everyday banking activities! Convenient, isn't it?

How safe is the system eDeposit.lv?

We pay special attention to the security of **eDeposit.lv**. In order to protect your funds and your personal information we use the most advanced security tools and data encryption methods available anywhere. As an example, the funds in your account at **eDeposit.lv** may be returned only to the account they were initially transferred from. This is just one of many deposit protection tools.

Why should I use eDeposit.lv?

The deposit rates offered to clients of **eDeposit.lv** are among the highest in Latvia. That means, thanks to **eDeposit.lv**, your savings will grow faster. Deposit management at **eDeposit.lv** is simple and convenient; in addition, all operations within your account at **eDeposit.lv** are free of charge! In other words, convenience and high income interest are the key words of **eDeposit.lv**!

To be a client of **eDeposit.lv** is profitable, safe and simple!
